CONNECT CAMP 18–35

APRIL 16-18, 2010

It does not get any better than this! A relaxing weekend sitting back enjoying a camp fire in the evening with nature hikes during the day. Connect with God in nature and in fellowship with others. Hot pancakes in the morning to barbecues, soup and haystacks over the weekend.

What more could you want? How about games on the oval, movie with popcorn on Saturday night with water skiing and tubing Sunday morning! Spaces are limited so act fast. The total cost for this weekend with camping, food, and all the extras is only \$40.00. I hope 2 see you there..
